OFFICE OF LEGISLATIVE COUNSEL

Monday - 27 April 1964

1. (Internal Use Only - CLC) [REDACTED]

[REDACTED] currently assigned to work with OSI, came by to discuss the possibility of his being asked to testify before Representative Joseph E. Karth's NASA Subcommittee of House Science and Astronautics. The Subcommittee is conducting an investigation of [REDACTED] explained that he was project manager of the [REDACTED] program in its earlier stages and is concerned over the possibility of his being asked to testify before this Subcommittee, with respect to the program as it existed under his leadership. Inasmuch as other [REDACTED] officials have been called and are testifying, we agreed that if possible [REDACTED] try to avoid any request for an appearance on his part. [REDACTED] assignment to the Agency is open information.) It was further agreed that until a request is made to [REDACTED] or the Agency no action will be taken on this.

2. [REDACTED] Dean Sharp, Counsel on the Senate

Judiciary Anti-Trust and Monopoly Subcommittee staff, called to say that he is scheduled to meet with representatives of the State Department today to discuss the matter of Communist participation in reinsurance. Once he has discussed the matter with State, Sharp suggested that he and I then meet with Senator Thomas Dodd (Chairman of the Subcommittee) to bring him up to date. I agreed to do this.

3. [REDACTED] Discussed briefly with Mr. John

Sullivan, Special Assistant to Senator Daniel Brewster, the visit of [REDACTED] to the Agency on Friday and indicated that Mr. Warner would be by to see him on this matter tomorrow.
